One candidate was selected in August 1995 examination and results are awaited for the examination held on February 1996.

## SECTION VI

### Reforms, Rationalisation and New Procedures Adopted.

**(1) More Weightage to the Allied Subjects:**

For the Main Written Examination in the recruitment to the Technical posts, we are having a General Knowledge paper, a language paper and one/two technical papers. Thus, 100 out of 300 marks (in case of one technical paper) and 200 out of 400 marks (in the case of two technical papers are decided by the subjects which have relation to the technical knowledge, a person possesses. For Preliminary Examination also we are having only General Knowledge paper. In this situation, those persons who are weak in the allied subject may get selection to the next stage of selection by their superiority in G.K.

In most of the Technical posts, the nature of the job is closely related to the technical knowledge of the candidate. Thus, for selection to a technical post, paramount importance should be given to the technical papers because they are the real gauge of the candidates technical knowledge. Hence, the Commission have decided to revise the scheme of Examination giving more weightage to the allied papers in Preliminary/Main Written Examination for Technical posts and also to implement it from 1-7-96. Accordingly, a proposal was sent to Government on 8-2-96 to issue necessary amendment orders. Government Amendment order is awaited in this regard (Government letter No. 18827/M/96-1, dated 16-3-96).

2. **Examination Reforms:**

**(a) Third Valuation:** The system of 'Double Valuation' is being implemented in the valuation of answer books of the Main Written Examination conducted by the Commission and the average mark is being taken into account. Now, the Commission have decided to introduce third Valuation if the variation of the marks in the first two valuation is more than +/-10 and in this case the average marks of two closest marks is taken into account.

**(b) OMR Answer Sheets:** The Commission have already introduced the OMR Answer sheets for the Preliminary Examinations and the candidates are being asked to provide their answers using HB Pencils Keeping the latest development in the field to read the ink entries, the Commission have decided not to allow pencils for answering in OMR Answer sheets. The candidates will be asked to answer in OMR Answer sheets by pen only.

(c) The System of dummy numbering of answer books has been modified scientifically so as to maintain tight secracy.

3. The Government of Tamil Nadu issued amendment to TNPSC Regulations, 1954 in G.O. Ms. No. 7, P & AR(M) Department, dated 4-1-96 and revised the nomenclature and pay scale of the following posts in the Commission's Office as at Secretariat as follows:-

| | | |
|---|---|---|
| Superintendent | .. | Section Officer. |
| Assistant | :. | Assistant Section Officer |
| Junior Assistant | .. | Assistant |
| Steno-Typist | .. | Personal Clerk. |

The Pay scale of the Under Secretaries and the Deputy Secretaries have also been revised as at Secretariat.

## SECTION-VII

### A. Non-Acceptance of Commission Advice

During the year under report, the Government have deviated 7 cases from the Commission's advice. The details are as follows:

**CASE NO. 1**

| | | |
|---|---|---|
| **(i)** | **G.O. (Ms.) No. 1999** | **Health Indian Medicine & Homeopathy and Family Welfare Department, dated 20-11-1990.** |
| **(ii)** | **G.O. (Ms.) No. 2000** | **dated 20-11-1990** |
| **(iii)** | **G.O. (3-D) No. 58** | **Rural Develolpment (E6) Department dated 16-5-1991.** |
| **(iv)** | **G.O. (3-D) No. 59** | **dated 16-5-1991** |

| | | |
|---|---|---|
| (v) | **G.O. (3-D) No. 60** | **dated 16-5-1991** |
| (vi) | **G.O. (3-D) No. 61** | **dated 16-5-1991** |
| (vii) | **G.O. (3-D) No. 62** | **dated 16-5-1991.** |

During March 1988 the Government sought the views of the Commission on the Disciplinary action taken against two Medical Officers, Government Hospital, Valangaiman and six other Rural Welfare Officers. The Commission examined the cases of the eight delinquent officers in detail and advised the Government in February 1989 to inflict on the Delinquent Officers the punishment ranging from one year without cumulative effect to three years with cumulative effect to commensurate with the gravity of the offences committed by them.

But, the Government have issued orders uniformly in respect of all the Delinquent Officers stopping their increments for a period of 3 years with cumulative effect except in respect of one officer for whom orders are yet to be issued. The Government have thus issued orders as above in 7 different Government orders deviating from the Commission's advice albeit with an excemption of one officer in respect of whom there is no deviation. It is usal for the Government to incorporate in the Government Order the Commission's views verbatim or the essence of the Commission's views. The Government have not only omitted to incorporate the Commission's views in the Government Order but also issued orders in deviation of the Commission's views without assigning reasons therefor.

## CASE NO: 2.

## G.O. Ms. No. 290, Health and Family Welfare, dated 2-3-1995.

During September 1992, the Government in the Health and Family Welfare Department sought the views of the Commission on the disciplinary action taken against a Tutor in Paediatric Surgery, Coimbatore Medical College, Coimbatore by framing two charges under Rule 17(b) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules for his unauthorised absence from duty and for having taken up private Employment as a Honarary Surgeon during the period of his unauthorised absence from Duty. The Enquiry Officer held both the charges as not proved but the Government held both the charges as proved. The Commission examined the case and advised the Government in April 1993 to remove the Delinquent Officer from Service for proven charges.

But the Government have issued orders in G.O. Ms. No. 290, Health and Family Welfare, dated 2-3-1995 imposing the punishment of stoppage of increment for three years with cumulative effect taking into consideration the exceptional circumstances of the cases such as his expertise in conducting rare surgeries successfully at the Government Medical Institution and also his regular attendance for the past seven years. The Government have thus issued orders deviating from the Commission's advice. The Government have relied upon the following two points for deviating from the Commission's advice.

(1) that the Delinquent Officer has desired to rejoin duty twice.

(2) the good work done by the delinquent officer in paediatric surgery after joining duty.

The Delinquent Officer's claim to have applied twice for posting was found to be not currect by the Director of Medical Education. Further the fact that the Delinquent officer has joined duty was not brought to the notice of the Commission. The good work done by the Delinquent officer cannot be taken into account by the Commission as it goes by records as forwarded by the Government.

The charges framed against thhe delinquent officer were also held proved. The appropriate punishment to be imposed for the proven charges is removal from service according to FR 18(3). But the Government have issued orders deviating from the Commission's advice.

## CASE NO: 3

### G.O. (D) No. 159, Commercial Taxes & Religious Endowments, dated 7-4-1995.

During March 1994, the Government in the Commercial Taxes and Religious Endowments Department sought the views of the Commission on the appeal preferred by a Junior Assistant attached to the Registration Department against the orders of the Inspector-General of Registration imposing on him the penalty of stoppage of increment for one year without cumulative effect. The scrutiny of the case revealed that initially the concerned District Registrar initiated action against the appellant by framing two charges against him under Rule 17(a) of the Tamil Nadu Civil Services (Discipline and Appeal) Rules for his negligence in duty. After obtaining the explanation of the appellant the District Registrar disposed of the case by administering a Warning to the appellant.

The case was thereafter, subjected to review by the Inspector-General of Registration. The Inspector-General of Registration considered that the appellant should not have been let off with a warning. The Inspector General, therefore instituted disciplinary action against the appellant by framing charges for his negligence in duty and finally imposed on him the punishment of stoppage of increment for one year without cumulative effect for the proven charges. The present appeal is against the above order of punishment.

The Commission, in the course of examining the case, observed that the relevant file (closed as K. Dis.) dealing with administration of warning to the appellant was reported to have been destroyed. The case dealt within the above file had been subjected to review and in view of this, the file had become a basic record for the purpose of examining the appeal by the Commission, not to speak of its indispensability in the event of the appellant's approaching the Court of Law Challenging the order of punishment. In the absence of the Said record the Commission found it unable to offer its views on the case and informed the Government accordingly.

In April 1995 the Government in G.O. (D) Nos. 159, Commercial Taxes & Religious Endowments, dated 7-4-1995 issued orders cancelling the punishment of stoppage increment for one year without cumulative effect and awarding a 'Censure' instead, to the appellant. The Government thus in the absence of the views of the Commision, decided the appeal *suo-motu* and at last awarded a lesser punishment to the appellant.

## CASE NO: 4

### G.O. (D) No. 1127 Health & Family Welfare Department, dated 16-8-1995.

During February 1992 the Government in the Health and Family Welfare Department sought the views of the Commission on the Disciplinary Action taken against an Assistant Surgeon fromerly at Government Hospital, Coonoor by framing a charge under Rule 17(b) of the T.N.C.S. (CCA) Rules for her unauthorised absence from duty. The Enquiry Officer held the charge as proved. The Commission examined the case and advised the Government to remove the delinquent officer from service for her continuous unauthorised absence.

But the Government have issued orders in G.O. (D) No. 1127, Health & Family Welfare Department, dated 16-8-1995 dropping further action in the disciplinary proceedings initiated against the delinquent officer and in G.O. (D) No. 1128, Health & Family Welfare Department, dated 16-8-1995, accepting the resignation of the delinquent officer from the Tamil Nadu Medical Service w.e.f. 16-4-1986 stating that removing the delinquent officer from service or accepting her resignation will not make much difference except in the former, a stigma will be attachhed. The Government have thus issued orders deviating from the Commission's advice.

The Govenment's observation that removing the delinquent officer from the service or accepting her resignation will not make much difference cannot be accepted because if the delinquent officer is removed from service it will certainly stand in her way in getting reemployment whereas if her resignation is accepted she goes scot free and it will not be a hindrance in seeking reemployment anywhere. If the views of the Government in this regard are accepted, Government Servants who are being charge sheeted for similar serious lapses which may end in removal from service may also tender their resignations and in such cases the Government will have no option except to accept their resignation.

## CASE NO: 5

### G.O. Ms. No. 1323, Home (Police II), dated 6-9-1995.

In the Initial proposal sent by the Director-General of Police for the selection of candidates for appointment by recruitment by transfer as Deputy Superintendent of Police (Category-2) in the Tamil Nadu Police Service for the year 1984-85, the names of 4 officers were not recommended by the Director-General of Police in view of adverse remarks against them and also because one of them had a current punishment. But, subsequently in the revised proposals sent by the D.G.P. the names of the 4 officers were recommended by him for the reason that the Government considered the names of the above officers and included them in the temporary panel. The D.G.P. was in turn informed by this office that the drawal of the regular panel had no connection with the temporary panel already drawn up and that mere inclusion of the name of an individual in the temporary panel did not confer any right for his regular appointment to that post. Hence, the D.G.P. was requested to offer his specific remarks as to whether those four officers were fit or not fit for appointment to the post of Deputy Superintendent of Police (Category-2) in the Tamil Nadu Police Service for the year 1984-85 based on the individual's records. In reply, the D.G.P. after examining their cases afresh informed the Commission that they were not suitable for inclusion in the regular panel for the year 1984-85. The Commission examined the case in detail and found these four officers as Not Fit for appointment to the post and informed the Government accordingly, while forwarding its recommendations.

Subsequently, the Government informed the Commission that it had recommended only 6 Reserve Inspectors for inclusion in the panel for 1984-85 as against 10 vacancies and sought the revised recommendations of the Commission. The Commission reiterated its earlier view that the 4 officers are not fit for appointment to the post. The Government were also requested to state whether the four left out vacancies for the year 1984-85 might be carried forward for the Year 1985-86, While approving the panel of officers fit for appointment to the post of D.S.P. (Category-2) in the Tamil Nadu Police Service for the year 1984-85, the Government have included the names of three of the four officers in the panel for the year 1984-85, in deviation of the views of the Commission. The reasons adduced by the Government for deviating from the Commission's views are that the names of the 3 officers were included in the temporary panel as their records were found to be good and the inclusion of their names was made after detailed examination of each cases on merits; that the inclusion of their names in the temporary panel was well justified, that the 3 officers are working as D.S.P. (Category-2) from July 1985 onwards and have completed more than 9 years of services D.S.P. (Category-2) and that their non-inclusion in the regular panel for 1984-85 at this stage might cause administrative problems. (Regarding the case of another officer, the Government stated that separate orders would be issued after revoking his suspension orders).

The only reason that weighed with the Government for inclusion of their names in the regular panel, in deviation of the Commission's views, is that their names have been included in the temporary panel. This is a clear case of deviation from the Commission's views.

## CASE NO: 6

### G.O. (D) No. 1322, Health and Family Welfare Department, dated 28-9-1995.

During September 1994, the Government in the Health and Family Welfare Department sought the views of the Commission on the disciplinary action taken against an Assistant Surgeon, formerly at E.S.I. Dispensary, Tiruchengodu, Salem District by framing a charge under Rule 17(b) of the Tamil Nadu Civil Services (Classification Control and Appeal) Rules (now Discipline and Appeal Rules) for his unauthorised absence from duty. The Enquiry Officer held the charge as proved. The Commission examined the case and advised the Government in March 1995 to remove the delinquent Officer from Government Service.

But the Government have issued orders in G.O. (D) No. 1322, Health and Family Welfare Department, dated 28-9-1995 dropping further action in the disciplinary proceedings initiated against the delinquent officer stating that there is no difference in accepting the resignation of a Government Servant or removing him from service except in the later case a stigma is attached and issued orders

in G.O. (D) No. 1323, Health and Family Welfare Department, dated 28-9-1995 accepting the resignation of the delinquent officer from the Tamil Nadu Medical Service, w.e.f. 25-11-1989 under rule 41 of the General Rules for the Tamil Nadu State and Subordinate Services.

The reasons adduced by the Government for taking a deviation from the advice given by the Commission are that though the charge framed against him was only for his unauthorised absence and the resignation was tendered prior to the issue of Government orders in G.O. Ms. No. 251, P. & AR. (FR. V) Department, dated 5-9-1994, there is no difference in accepting the resignation of a Government servant or removing him from service except in the later case a stigma is attached.

The Assistant Surgeon had originally applied for unearned leave on private affairs for six months from November 1989. Though the leave was refused and though he was asked to join duty immediately, he did not obey the orders but extended the leave further for another six months. Inspite of repeated references sent to him, he did not bother to join duty nor did he reply. Therefore, a charge was framed against the Assistant Surgeon and he did not submit his statement of defence. An enquiry officer was appointed. The Assistant Surgeon tendered his resignation only at this stage. He had attended the enquiry and wanted his resignation to be accepted. No statement was recorded and therefore the Enquiry Officer had come to the conclusion that the charge was held proved.

The above will clearly indicate that the delinquent officer was practically on unauthorised absence from November 1989 to till date. For all the memos issued, he has not sent any explanation. The Government have not viewed this kind of attitude on the part of the Government servant very seriously. When charges are pending against a Government servant it is natural that if the concerned officer submitted his resignation it should not be accepted. Because once it is accepted then all the disciplinary proceedings initiated against him will be dropped and the officer will go scot free. In this case also the delinquent officer did not submit his explanation at any state. Even at the time of enquiry he has not given any reason for his unauthorised absence and therefore the Commission cannot easily accept the view that the charge framed against him was only for his unauthorised absence. If the view of the Government is to be accepted, any one can submit his resignation when serious charges are pending and go without punishment. Therefore the reasons adduced by the Government in having accepted the resignation of the delinquent officer cannot be accepted and it is a clear case of deviation from the Commission's advice.

## CASE NO: 7

### G.O. (D) No. 46, Health and Family Welfare Department, dated 8-1-1996.

The Govenment in November, 1994 have sought the views of the Commission on the disciplinary action taken against an Ex-Health Officer, Corporation of Madurai, Madurai. The Commission after examination of the case had advised the Government in August, 1995 that as there are no grounds to find fault with the delinquent Officer the charges framed against the delinquent Officer be dropped and he should be exonerated completely. But the Government in deviation of the Commission's advice, have issued orders in G.O. (D) No. 46, Health and Family Welfare Department, dated 8-1-1996, imposing the punishment of cut in pension of Rs. 200 per month for a period of five years. The reasons stated by the Government are as follows:-

The Enquiry Officer had held the charges 1 and 2 as proved as the delinquent officer had failed to mention the quality of the wood and iron articles in the supply order. He had neither mentioned the specifications to the Superintendent, Maternity Home to whom the article would be supplied directly. He had placed orders to the Ramco Super Market even though the firm is not manufacturing the iron articles and he had not taken follow up action after receipt of the bills. In respect of the second set of charges *viz.* 3 and 4, the Government have agreed with the Enquiry Officer in pointing out that the delinquent officer had failed to mention the prices available for various medical equipments, tabulate them and place them before the Council with his reasons for accepting a particular quotation. The Government had further stated in respect of charges 5 and 7 that the delinquent officer had failed to follow the rules prescribed and they have accepted the findings of the Enquiry

officer in holding these charges as proved. They have imposed the above said publishment in the Government Order, dated 8-1-96 taking the charges as proved and in deviation of the Commission's views that the charges framed against the delinquent officer be dropped and he should be completely exonerated.

**B. NON-CONSULTATION WITH THE COMMISSION- Nil.**

**C.** Thus the Government have violated their own instructions and the commission trust that this will not recur in future.

The details of the number of cases in which the Government have not accepted the Commission's advice and the Government have not consulted the Commission are given for the latest five years in Annexure-XI.

## Acknowledgement.

The Commission record its appreciation of the willing Co-operation extended by various Trusts, Educational Institutions and their Officers in the matter of providing suitable accommodation for the various examinations held by the Commission.

The Commission is also grateful to the Examiners and Experts who inspite of their personal inconveniences readily accepted the Commission's invitations and assisted it in the conduct of different examinations and selections of officers to various posts under the State Government.

The Commission thank all the Secretaries to Government and Heads of Departments for their kind co-operation in finalising the selections of candidates for appointment by recruitment by transfer/ promotion through the Departmental Promotion Committees.
